Vendorville

Agracel has expanded in the Bentonville market to serve the growing development needs of the area due to the increase in Wal-Mart suppliers locating in the community. Wal-Mart works with 23,500 suppliers, many of which have offices in Bentonville to better serve the world's largest retailer. Office suites are available from 500 square feet up to 17,000 square feet. Office/showroom space is available for lease up to 3,600 square feet. Agracel Professional Plaza also features conference rooms and local management.
