

*Multi-Tenant*

## Growing Business Park Needs Special Services

The need for on-site daycare precipitated the development and building of a multi-tenant facility. The project began with several tenants in place and was filled prior to completion. Several tenants' special needs were accommodated with expedited move-in dates.

### General Building Features

**Size:** 24,000 sf multi-tenant Class A office

**Other:** Separate metered utility service, wrap around exterior windows, 125 parking spaces
